

**Amendment 0001 to BAA #06-024**  
**“Transparent Urban Structures”**

1. Paragraph 5 of Section I is replaced with the following:

**5. Response Date -**

White Papers:	27 July 2006
Oral Presentations:	12-14 September 2006
Full Proposals:	06 October 2006

2. Paragraph 1 (B) of Section IV is replaced with the following:

**(B) White Papers:** White Papers are encouraged prior to submitting a full proposal. The due date for white papers is no later than 2:00 p.m. (Eastern Daylight Time) on Thursday, 27 July 2006.

White papers will be evaluated to determine whether to encourage the offeror to make an oral presentation to a panel of Government evaluators. The process for oral presentations is described below. Selection of white papers considered of “particular value” will be announced on or about Friday, 18 August 2006 by email. However, any such encouragement does not assure a subsequent award. Any offeror may submit a full proposal even if its white paper was not identified as being of “particular value.”

3. Paragraph 1 (C) of Section IV is replaced with the following:

**(C) Oral Presentations:** Oral presentations are tentatively planned for 12-14 September 2006. The Office of Naval Research will schedule an oral presentation for those offerors notified by e-mail that their white paper technologies appear to be of “particular value” to the Navy. Any offeror whose white paper was not determined to be of “particular value” to the Navy or an interested party who did not submit a white paper by the July deadline can contact the Program Officer (see paragraph 7) to arrange to make an oral presentation along with the other scheduled offerors.

A detailed format for the presentation will be provided in the e-mail invitation. Each presentation will be no longer than thirty (30) minutes in duration. An additional ten (10) minutes will be allowed for questions (if any) from the panel of Government reviewers. Those offerors whose technology is still considered as having “particular value” to the Navy will be encouraged to submit detailed technical and cost proposals. However, such encouragement after oral presentations does not assure a subsequent award. The Office of Naval Research will not reimburse travel costs and time for potential bidders to brief their proposals.

4. Paragraph 1 (D) of Section IV is replaced with the following:

**(D) Full Proposals:** An offeror may submit a full proposal without submitting a white paper or making an oral presentation.

The due date for receipt of full proposals is 2:00 p.m. (Eastern Daylight Time) on Friday, 06 October 2006. It is anticipated that final selections will be made in October 2006. As soon as the final proposal evaluation process is completed, each offeror will be notified via e-mail of its selection or non-selection for an award. Proposals exceeding the page limit may not be evaluated.
